

## Duo Stick

**Duo Stick, a two-in-one modular stick** to customize your make-up.

### PRODUCT STORY

---

Inspired by brands' need to offer consumers an infinite palette of foundation shades so they can find the one which matches their complexion perfectly, Albéa launches Duo Stick.

Duo Stick is **a stick with modular tips** that enables consumers to choose two foundation colors.

Duo Stick is **airtight for maximum formula protection** and suited for foundation, luminizer, balm, undereye concealer and blush applications, but also stick fragrances and sun care.

### CUSTOMER BENEFITS

---

Consumers can **blend the foundation colors** for a **customized result** that is as close as possible to their complexion.
