

## Mask Sheet Detox

Let your skin take a deep breath with our detoxifying masks! Discover our range of impregnated sheet masks, addressing all major skin needs. Mix & match formulas and sheet materials. Find the best combination for your brand! Looking for inspiration? Try the alliance of a black oak sheet mask & a bubbling detoxifying serum: once on the skin, the bubbles start appearing and keep spreading for a surprising and pleasant experience. Contact us to check out our full range!

### PRODUCT STORY

---

How does it work? A black oak sheet material boosts the absorption of bacterias, impurities and skin toxins. Combined with the serum, the skin feel revitalized. Available on Mix & Match Made in Europe

### TECHNICAL INFORMATION

---

How to use? Step 1: Cleanse your face and pat dry Step 2: Open the bag, unfold the mask and apply on the face Step 3: You can activate the mask by slightly massaging on the face Step 4: Let it bubble out for 1 to 2 minutes Step 5: Take the mask off and rinse the face with cold water

### CUSTOMER BENEFITS

---

Unique user experience (changing texture) Deep oxygenation of the skin (cells renewal) Revitalized complexion (detox ingredients)
