

## XD11 Panache Fragrance pump

A fragrance pump with a new dimension of spray

### PRODUCT STORY

---

Albéa, Master of the Art of Spray, has changed the game with Panache, the first solution of its kind for fragrance · Developed on XD11, the miniaturized, neutral fragrance pump, XD11 Panache has revolutionized the way consumers perfume themselves. · The sensation is like walking through a gentle, deep and long-lasting cloud of fragrance that captivates the senses · Panache delivers droplets that are on average 33% lighter, 40% drier, twice as deep and 6 times longer-lasting. · Panache is compatible with different formulas and several luxury brands have already chosen it for a range of applications: Luxury perfumes / Moisturizing fragrances / Hair perfumes
